Permanent Cosmetics Certification

Providing Beauty Makers with World Class Education

Permanent Cosmetics Certification

Permanent Cosmetics represent one of the fastest growing and lucrative areas within the beauty sector.

Permanent Makeup as it's commonly called, is an extremely rewarding field. Most individual services command between \$200 and \$400 each. Abundant job opportunities are available in Plastic Surgery offices, Dermatology Practices, Salons, Day Spas, or as a Sole Practitioner.

Want a new career but don't have the time or money to go back to school? Then look no further than this exciting career. In as little as 40 hours of training, students graduate and receive certification to start earning money.

Training is all hands on with one-on-one instructor time and live models. Classes are taught by instructors who not only teach, but have successful practices of their own.

Don't be left out of this lifetime career opportunity. Classes are already filling up fast. Get your application in NOW to guarantee your spot!
